## Vhi SwiftCare Clinics – Ireland's first urgent care centres

Vhi SwiftCare Clinics provide walk-in medical care for minor illnesses and injuries and we aim to treat you within one hour. The clinics are open 365 days a year and no appointment is needed.

### How do Vhi SwiftCare Clinics work?

- > Patients are assessed by a medical practitioner upon arrival.
- > If necessary, x-rays and follow-up treatment such as plastering and stitches are available on-site.
- > Follow-up clinics with orthopaedic and other specialists are available.
- > Where necessary, onward referrals are made.
- > Vhi SwiftCare Clinics complement the services of your GP and you will be referred back to your GP for ongoing care where appropriate.

### Do you have to be a Vhi Healthcare customer?

No, this service is open to everyone.

### Vhi Healthcare LifeStage Choices

Vhi Healthcare LifeStage Choices customers receive an immediate benefit of €75 off the initial consultation fee, for up to 5 visits per year, so you only have to pay €40 for the initial consultation fee.

### Minor illnesses & injuries include:

- > Sprains or possible breaks
- > Minor burns
- > Cuts that may require stitches
- > Minor eye or ear conditions
- > Sports injuries
- > General medical conditions

## Conditions that CANNOT be treated:

- > Chest pain
- > Severe breathing difficulty
- > Acute or severe stomach pain
- > Severe burns
- > Loss of consciousness
- > Pregnancy related conditions
- > Serious head and neck injuries
- > Any problems with infants under 12 months

Serious medical emergencies should be directed towards hospital emergency departments or Dial 999/112.
